Blazer Basketball Camp will follow the most recent up-to-date CDC, state, and local guidelines. Please see information below regarding camp Covid-19 protocol.

- The CDC highly recommends all staff and campers over the age of 12 be vaccinated before participation in any summer camps.
- Parents/guardians are responsible for daily screening of symptoms for each camper, and urged to keep campers at home if they are feeling sick or experiencing the following COVID-19 symptoms:
 - Cough
 - Difficulty breathing
 - Fever of 100.4 degrees or higher
 - Sore throat
 - New loss of taste or smell
 - Diarrhea and/or vomiting
- Equipment will be frequently disinfected throughout the day. Hand sanitizer will be provided on site.
- Social distancing (3-6 feet) will be practiced whenever possible.
- Campers must maintain a 6-foot distance while eating or drinking.
- As of June 1, 2021, Maryland State Covid guidelines still require all campers and staff members to wear masks while indoors.
- Any camper showing signs of Covid will be isolated (with a staff member) until a guardian can pick them up. A negative Covid test and/or a doctor's written permission will be required prior to returning to camp.
